

tackNOW

TackNow is a durable, washable floor-to-ceiling and wall-to-wall communication surface, and the perfect alternative to standard bulletin boards. TackNow is a colorful linoleum/cork wallcovering that turns vertical surfaces into decorative and functional spaces and is applicable wherever people communicate with each other. It is self healing, resists cracking, or peeling, and is available in 12 decorative colors (product is 48" wide,*indicates those colors which are available 72" wide).

functional

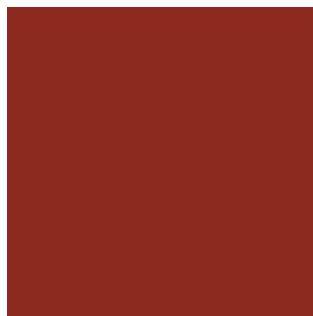

- Uni-colored linoleum/cork wallcovering turns vertical surfaces into creative, functional display areas
- Perfect solution for healthcare, education, hospitality and corporate installations
- Can be installed on a variety of surfaces including slightly curved walls

convenient

- Comes in flexible, easy-to-install rolls, calendared onto a smooth finish jute backing for excellent adhesion and easy maintenance
- Made from natural environmentally renewable raw materials
- Permanent bactericidal properties
- A healthy, sustainable, biodegradable product

durable

- Self-healing surface that accepts pins and tacks
- Exceptionally durable with long lasting resilience that resists cracking, drying or peeling
- Easy to maintain, washable finish ensures cleanliness
- 5-year limited warranty

specifications

easy install

TackNow should be carefully inspected BEFORE CUTTING to confirm that the correct color surface and quantity have been ordered and shipped. In order for your TackNow installation to be perfect it is important to prepare and pay attention to proper installation techniques for the material.

Use recommended tools and adhesive for proper installation. After hanging one strip of material, examine the installed wallcovering for color uniformity and overall appearance.

accessories

TackNow is available with a complete line of accessories and optional finishing products. A wide selection of aluminum trims offers convenience, cleanliness and aesthetic appeal.

warranty

TackNow is covered by a five year limited warranty. This warrants that TackNow will be free from any defects in material or workmanship and meet the design criteria noted in our specifications when properly applied and installed per our recommended installation instructions.
