easy install

UNIQUE-MAG or UNIQUE-MAG-CD should be carefully inspected before cutting to confirm that the correct direction, vertical or horizontal, specified in the design requirements, is followed. Proper surface preparation is critical for a high-quality installation. Any imperfections or inconsistency of wall surface must be corrected and allowed to fully dry prior to the application of UNIQUE-MAG.

warranty

UNIQUE-MAG is covered by a ten year limited warranty. This warrants that UNIQUE-MAG will be free from any defects in material or workmanship and meet the design criteria noted in our specifications when properly applied and installed per our recommended installation instructions. For more details on the UNIQUE-MAG warranty, please visit WriteWalls.global

Note: For best results, rare earth or Neodymium magnets are recommended for UNIQUE-MAG.
